

2006 TRAVELS - www.bennyprasad.com

The year 2006 started with a bang as I was felicitated by a National Record by Limca Book of Records for becoming the most traveled Indian Musician. At the press conference I dedicated my record to my Guru - Yahweh.

Mar. - Apr. I traveled to Turkey, Azerbaijan, Georgia, Armenia, Russia, USA and Canada and had a wonderful time sharing the Love of the Almighty God thru my testimony and instrumental music. In the 2002 I was deported from Russia but praised God that this year they gave me a VISA. I also attended the GMA along with Karen Lafferty and had the opportunity to meet and interact with artists like Chris Tomlin, Rebecca St. James, Paul Balouche, Jars of Clay, Third

Day, Avalon etc.
May - Bhutan happened to be my 100th country and then I traveled to African Islands - Reunion Is., Mayotte and Comoros. Was able to be part of the Nations to Nations held

in Reunion Island and on the last day the Lady who was bitter with the Indian Religiosity came to me & with tears asked for forgiveness and reconciliation.

June - I traveled to Switzerland, Austria, France, Czech Republic, Monaco, Liechtenstein, Italy and Germany. I had a blast as I performed for the Fifa Kickoff 2006 World Cup in 7 different cities in Germany. I was able to share my testimony and music as lot of them have been influenced by the New Age Music and were interested in talking to me.

July - Aug - I traveled to Egypt, Yemen, Christmas Is., Cocos Is. and Australia. I had a blast in Egypt by doing a concert on Friday evening where atleast about 25 nationalities gathered where people from Embassies also came for the concert. Yemen was a memorable experience & then went to teach in the School of Music in Missions in YWAM Perth on Pursing Excellence.

Sept. - traveled to Holland, France, China, Mongolia and Iceland. There were about 40 artists invited from about 10 nations for a AIDS Benefit Concert in Shenyang, China. It was in a 1700 seater Theatre attended by the public as well as the Govt. officials. I was so happy to share my music as well as my life transformation story. Then went on to Mongolia which was an amazing experience as Mongolia had come out of Communism only 16 years ago. I was able to train the young ones how to do music ministry as everything was very new for them. Then I went to Iceland to share the Love and Identity of God as most of the youth are really lost and searching for meaning to life.

Nov. - Went to participate at the Nations to Nations gathering in Amsterdam and got to meet and play along with Pedro Eustache an amazing flutist who played for the movie "Passion" & also played for Yani. We became brothers.

Dec. - Went to Palestine & Israel which happened to be my 111th country and was shocked to see the amount of Jews

searching for the true God in the Indian New Age belief system. I had a blast in Palestine and was so much blest by the poor yet very warm Palestinians. I came back to India & performed at the Largest & the most International Christmas Concert in S. India
